

Our ESG approach

ESG framework

Shibui is committed to a long-term ESG effort with the United Nations Sustainable Development Goals (UN SDGs), the acknowledged global framework designed as 'a shared blueprint for peace and prosperity for people and the planet now and into the future'. Working towards the ESG through measurable steps is critical to Shibui's strategy in order to practise sustainable and socially inclusive growth.

Shibui contribution to the SDGs:

Our priority SDGs in 2025–26:

UN SDG 4.7 Target. To promote sustainable development through education on gender equality, appreciation of cultural diversity and of culture's contribution to sustainable development.

Shibui Goals

1. "Business Continuity & Resilience Culture Talks". These talks will explore an all-hazard approach, safety-first principles, contingency planning, cultural awareness, and psychological resilience in the face of uncertainty posed by geopolitical shifts. Through education and dialogue, we aim to strengthen resilience, inclusiveness, and well-being in organizations, equipping leaders with the tools to navigate disruption sustainably.

UN SDG 13.3. Target. To improve education, awareness-raising and human and institutional capacity on climate change mitigation.

Shibui Goals

1. Remain 100% paperless on learning materials and all documentation.
2. Continue to track CO₂ emissions and reduce it by 20% through hybrid transportation and 90% online meeting choices.
3. Achieve understanding of Shibui Code of Conduct for 100% Shibui Suppliers and Partners. Through education and dialogue, we aim to strengthen resilience, inclusiveness, and well-being in organizations, equipping leaders with the tools to navigate disruption sustainably.

UN SDG 17.17. Target. To encourage and promote effective public, public-private and civil society partnerships.

Shibui Goals

1. Establish partnerships with one to two media, state, or business organizations to launch a public awareness campaign focused on democracy, cultural diversity, human rights, contemporary art or governance topics.
